Everyone starts with Doublin 1 then has the option to upgrade to any level they wish. When you activate a position, you are placed in-line. Once you reach the top, you double your reward and get placed back in line to continue to earn over and over.

# How to get started!

1. Simply contact the person who showed you this video and get their link to join.
2. Make sure their name appears on the registration page.
3. Once registered, please click on “make a deposit” button.
4. Enter the amount you wish to make and select crypto.
5. Select the crypto you wish to deposit with, we recommend USDT – TRC20 for low cost on fees
6. Once you have sent the payment and has been approved, click on Activate Position.
7. Select the package you want to activate, select the amount of packs you want, then click on purchase position.
8. You are all set!!!
9. All you need to do now is share this program with others and set up your banners and text ads.

# Things to know about DC!

1. Free Members can make money by inviting people into the program. No positions required to earn.
2. No referrals required to earn when you have a position as when you are up on que, you will cycle and double your money.
3. At the beginning, things will move fast but as long as people are purchasing and re-entering the line, things will keep moving and many will make money.
